It has been decided that only member's cars (having Club issued car pass) will be allowed to be parked on the driveway always henceforth. The guests will have to park their cars behind the guest house during regular days. During the club functions, only members having car passes issued by the club would be allowed inside the club premises. Members can collect their car passes from the reception from 19th August 2014 after entering their names and car number in the register maintained at the reception. Each car pass would have the car registration number written on the pass before issue. Each pass would cost the member Rs 30 per pass for each car owned by the member. Members are requested to cooperate in this regard.

During the managing committee meeting it was also been decided to raise the members reintroduction charges from Rs. 600 to Rs. 2500 per member.

It was brought to the notice of the committee that many members are not paying their monthly bills in time and the amount outstanding is very high. To curtail this, there was a suggestion that a maximum credit amount be fixed for each member. The committee has decided to fix the maximum credit amount at Rs. 7500 per month per member. This amount does not include any party hosted by the member as most members make payment within 48 hours and avail the cash discount provided by the club.
